

My Cat is Sick was adapted using objects and *Writing with Symbols*. The object symbols serve as concrete cues that can enhance comprehension and can be used to aid the student in answering comprehension questions –before, during, and after reading strategies.

My

Cat

is

Sick.

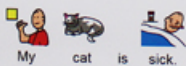

My cat is sick.

My cat needs a doctor.

My cat is sick.

   
Open your mouth and say ah.

  
My cat is sick.

The doctor says, "I'm going to  listen to your 

heart.

That tickles.

My
